DETAILED ACTION

1. The amendment, filed April 03, 2006, has been entered.
2. The new abstract, filed May 09, 2006, has been accepted.
3. Claim 14 is allowed.
4. The following is an examiner's statement of reasons for allowance:
 - a. The amendment, filed April 03, 2006, necessitated the withdrawal of the rejections of record.
 - b. The written basis support for the new limitation of "DNA or RNA" is found on page 19, lines 15-25 of the instant specification.
 - c. The written basis support for the new limitation recited in step (d) is found on page 15 of the instant specification.
 - d. The claimed invention is directed to a method for analyzing the structure of a DNA or RNA sequence target array including a plurality of different elements is free of any prior art. Specifically, the claim recites the limitation of "replacing in the first array a corresponding first occurrence of each element in the target array with information that indicates that said first occurrence is the occurrence of said each element...", which is free of any prior art.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CONCLUSION

6. Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance. Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify applicants of the resolution of the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet. The USPTO's PAIR system provides Internet-based access to patent application status and history information. It also enables applicants to view the scanned images of their own application file folder(s) as well as general patent information available to the public.
7. For all other customer support, please call the USPTO Call Center (UCC) at 800-786-9199. The USPTO's official fax number is 571-272-8300.
